WFAPA

Wisconsin Foster and
Adoptive Parent Association

WFAPA is a peer and volunteer-based organization that supports and advocates for foster and adoptive parents by offering training and support programs. WFAPA advocates for legislative measures with our fellow representatives in Madison.

WFAPA's conferences bring in highly-qualified speakers who help educate on how to handle and better understand tough issues.

WFAPA conferences reach a statewide population, and encourage networking among foster and adoptive parents. You never know who might have an answer for you!

WFAPA also educates the public and brings a more positive light to foster and adoptive parenting through stories in different areas of the media (including radio, newspapers, etc.) and through our quilt, which tells the stories of Wisconsin foster and adoptive children.

SAAN

Surviving Allegations of
Abuse and Neglect

SAAN is a peer driven support network, the purpose of which is to minimize the trauma of foster and adoptive families while undergoing an allegation without compromising the integrity of that investigation.

Foster parents welcome children into their homes who bring their histories and issues along with them. For this reason, foster and adoptive parents are at a higher risk of some day having an allegation against them.

Undergoing an investigation is a stressful and scary situation for anyone, whether or not the allegation is substantiated.

SAAN is here to provide information to support you throughout the investigation process.
